

STATEMENT OF QUALIFICATIONS

1930 South Whiting Circle, P.O.
(907) 745-7215

Box 1549, Palmer, AK 99645

SIC: 8713, 7389

NAICS: 541370

DUNS : 87-766-3922

ACASS: 004597

SERVICES

- Hydrographic Surveys/Nautical Charting
- Terrestrial and Subaqueous Cable/Pipeline Route Surveys
- Desktop Route Assessment Studies
- Cable/Pipeline As-Built and Condition Surveys
- Subaqueous Site Hazard Assessments
- Oil Platform Positioning
- Marine Positioning for Construction and Seismic Exploration
- Professional Cadastral Surveys
- Topographic and GIS Mapping
- Design Engineering Surveys
- Tidal, Current, and Floodplain Surveys/Studies
- Bathymetric and Acoustic Data Processing
- All Forms of Map and Plat Production
- Small Vessel and Marine Positioning Support for Science Disciplines
- Marine Search and Recovery Support
- Global Positioning System (GPS) and Conventional Control Surveys

ADDITIONAL SERVICES AVAILABLE

- Oceanographic Engineering
- Digital Orthophoto Mapping
- Multispectral Imagery Acquisition and Processing
- Lidar Mapping

STAFF

- Thirty-seven Alaska-based and experienced employees, including six land and hydrographic surveyors, four CADD operators, one oceanographer, two draftspersons, and two geographers.
